

Prayer for Leaders of Nations

Lord, we pray for the leaders of the nations that they would trust you and pray that they would encourage others to do the same. We pray for godly counsel for the leaders of the different nations. We pray for godly leadership over their country, and we pray for Christ-centered compassionate hearts for those who rule and those who are governed.

Give the leadership the spirit of wisdom and revelation in the knowledge of You. We declare the power of the cross and the blood of Jesus over these leaders, their house and all under his authority.

Father we pray for the safety of leader and his family. Prevent those who disagree with them from taking sinful and unlawful actions against them and their family. Please surround them with security teams that regardless of politics, will keep their pledge to protect the elected leader. Keep close to the leader those who offer godly counsel and wisdom according to your Word. Give them a listening ear and an open heart that is receptive.

We pray that all corrupt leadership be removed, You God are the Judge, you put one down and set up another.

We also pray for open communication between the leaders of the nations and the legislative and judicial branches of their government. Holy Spirit please work among the people in the government to allow them to work together for the glory of God; help them to put people first and to put away differences that delay the work that is needed. Please give the leaders the energy they need to do the work you have set before them.

Father, we thank you for your mercy, your love, and your sovereign rule over us all. May we look to you in all circumstances God, in your Son's name, Jesus Christ, amen.
