

Social Media Influence

Thank you for the good gift of the Internet and social media through which we can create, communicate, and glorify you. We thank you that we can reflect your image online.

We pray that the Word we are preaching would speed throughout the internet Facebook, Twitter, YouTube and Instagram, proclaiming and reaching many with the Gospel of Jesus Christ.

We thank you for favor, favor to receive recognition even when we are the less likely to receive it. Lord, we desire to make you known.

We thank you that social media is a door of utterance to speak the mystery of Christ, and our prayer is that it will be open to us. People will have an ear to hear what the Spirit of God is saying to them. People will desire sound, wholesome instruction, and truth.

We believe that the people receiving the Word will have a deeper communion with you Holy Spirit and a deeper love for the Word of God.

We thank you that the love of God is being shown through the Word of God we teach. They are experiencing your compassion and it is making a difference in their life.
